

Help develop your future

Saving for your retirement is important. So take advantage of this great benefit that can help you develop your future:

Eastman Kodak Employees' Savings and Investment Plan - as a new hire, you'll be automatically enrolled in the plan

We'll get you started

Automatic enrollment gets you started in the 401(k) plan. Please see page 2 for details.

But you don't have to wait. Scan this code to enroll on your own.

Have questions? Schedule a complimentary consultation before you enroll.

Make the most of your plan

The company automatically enrolls you at 3%. If you contribute even more, you could give your retirement savings a real boost. This example assumes a salary of \$65,000, contribution rates of 3% and 10%, and an annual effective rate of return of 6%.

Automatically enrolled at 3%...	After 5 years \$11,346	After 10 years \$26,530	After 25 years \$110,432
Increase to 10%...	After 5 years \$37,821	After 10 years \$88,435	After 25 years \$368,106

The hypothetical results shown above are just for illustrative purposes. Contributions are made at the beginning of the month. These results are not meant to represent the past or future performance of any investment. When you invest, there's always the chance you'll lose money. Taxes are due upon withdrawal. You may also be subject to an additional 10% federal tax if you take a withdrawal before age 59½.
